

Safeguarding Assemblies Overview

Autumn 1

E-safety – Think U Know – Details, Details... To teach children that personal information is as valuable online as it is offline, and should therefore not be shared without a parent or teacher's permission.

School Rules – To teach pupils the importance of following the school rules.

Road Safety – To learn how to stay safe around roads. How to stay safe has a pedestrian.

Anti-bullying – To understand what things make us different, what makes people bully, and to know what to do if it happens to them.

Spring 1

E-safety – Think U Know – It's a Serious Game – To help children to identify situations in which it is wise to turn to a trusted adult for help.

Personal Hygiene – To know what personal hygiene is and it includes.

Stranger Danger – To know how to stay safe if you are lost. To know who a safe stranger is and to know what a safer buildings are.

Summer 1

E-Safety – Think U Know – Heroes – To encourage children to be open about their online experiences with a trusted adult.

NSPCC – The Talk PANTS campaign helps parents of 4-11 year-olds keep their children safe from abuse. Like the Green Cross Code, it takes a potentially tricky subject and gives parents the tools to talk about it in an engaging and age-appropriate way.

Walk to School Week - To understand the benefits of walking to school.

Autumn 2

E-Safety – Think U Know – Welcome to the Carnival – To enable children to identify the characteristics of people that are worthy of their trust and who can help them make positive choices to keep them safe.

Firework safety – To teach children about how to stay safe when attending a fireworks display.

Body safety – To understand different parts of the body. To know which parts are private.

Spring 2

E-Safety – Think U Know – The Info Gang – To ensure that children can identify some of the physical sensations that alert us to unsafe situations.

Healthy Living – To understand what 'Healthy Living means' and how to achieve it. Includes ways of staying active, healthy and unhealthy foods, and how this can prevent health problems.

Cyber Bullying – To understand what cyber bullying is, and to know what to if it happens to them.

Summer 2 – Topic

E-Safety – Think U Know - You're Not Alone – Concluding lesson on internet safety – looks at all aspects covered over the academic year.

Sun safety – To explain the importance of sun awareness and how to be sun safe.

Water safety – Teach pupils a water safety code; **SAFE** – Stay Away From the Edge

Sun, Sea and Beach Safety – to understand how the sun can hurt us; how to keep safe when in the sun; how some sea creatures can hurt us; how to keep safe in the sea; what the beach flags mean.
